Many thanks to Ash, the Post Office and the Doctor's surgery for their cooperation.

West Bergholt Traffic Plan

In recent years there has been increasing concern regarding traffic hazards in the village, particularly around the school and in the area of the Coop.

The Parish Council is proposing structural improvements to help slow traffic and reduce the parking problems in New Church Road. A consultation process is in place to allow individuals to contribute towards solutions. A Public meeting attended by about 40 residents was held on July 4th and the current proposals were explained. Our 2 Borough councillors also attended. All were in agreement that safety was a high priority and differing views were exchanged. The consultation process will be on-going. For full information on the proposals you can find details on line at:-

westbergholt.net and search for "Traffic Plan".

Meanwhile, whenever possible, parents are encouraged to walk their children to school. For parents who find it necessary to use a car, arrangements are in place to make use of Parking at the Treble Tile and the Orpen Hall car park at school starting and finishing times.
