VILLAGE NEWS

Edition 29 – November 2016

WEST BERGHOLT NEIGHBOURHOOD PLAN

Over the course of two Saturdays in October the Neighbourhood Plan, in nearly its completed state, was on display in the Orpen Hall.

NP plans must include proposals for new housing. Although new proposals always cause concern, it is the first time in the Parish history that we have been given the chance to present our own views.

Over 450 residents attended the exhibitions. Much appreciation was voiced about the work undertaken so far and many constructive comments were made.

The NP steering group would like to thank all those who attended.

We have received many completed questionnaires but we encourage as many village residents as possible to contribute either by filling in a paper copy, a collection box is at the Co-op post office, or going on line to complete a digital questionnaire at:-

www.westbergholt.net/neighbourhoodplan

The more responses we receive the more valid the final document will be.

West Bergholt is our village and we must decide on its future together.
