Background

The Rural Community Council of Essex (RCCE) is an independent charity helping people and communities throughout rural Essex build a sustainable future.

RCCE's mission is:

To provide local communities with the skills, resources and expertise necessary to achieve a thriving and sustainable future.

This means helping communities come together to identify their own needs and priorities, and provide them with advice and support in developing practical solutions. We strive to provide a voice for rural communities, representing their interests to government at local, regional and national level.

RCCE employs a Rural Housing Enabler (RHE) to work with rural communities, usually through the parish council, to identify if there is a need for a small development of affordable housing for local people.

Context and Methodology

In September 2015 West Bergholt Parish Council worked with the Rural Housing Enabler (RHE) to carry out a Housing Needs Survey in the parish. The aim of this survey was to determine the existing and future levels of housing need of local people.

A Housing Needs Survey was delivered to each dwelling in the parish. The survey pack included a covering letter, a questionnaire and a freepost envelope for forms to be returned directly to the RHE at no cost to the respondent.

The survey form is divided into two sections. Part 1 of the survey form contains questions on household composition & property type and is completed by everyone regardless of housing need. Households who are currently or are expecting to be in housing needs in the future are asked to also complete Part 2 of the survey, which gives the opportunity to provide more detailed information. Additional forms were made available on request from the RHE.

The closing date for the survey was 1st November 2015. 1,315 forms were distributed. 356 completed or partially completed forms were returned to the RHE giving the survey a 27% response rate. The response rate is in line with the county average of 25%.

Of the 356 households who completed Part 1 of the survey, 53 households went on to complete or partially complete Part 2 of the survey.

The full table of results can be seen in Appendix 5. Percentages shown are percentages of returned forms (356=100%) unless otherwise stated.

The Parish of West Bergholt

Lying in the Colchester district within the county of Essex the parish of West Bergholt is made up of 1,315 households with a population of approximately 3,215 people, the parish has a long history going back to medieval times.

West Bergholt parish website offers a wide range of information on the local community including information on upcoming social events and activities; it is kept up to date and reflects the active nature of the parish.

West Bergholt has an active community offering a wide range of local activities including Baby signing, badminton, bowls and various friendship groups and fellowships. There are also a range of physical activities including Pilates, Zumba, dance classes and Karate.

The parish is well served with three public houses, a post office, doctor's surgery and pharmacy, as well as convenience stores.

The spiritual needs of the village can be met by any of its three churches, the St Mary the Virgin Church, West Bergholt Methodist, and The Fellowship Pentecostal Church

Children from the parish can attend Heathlands Primary School which received an Ofsted inspection rating of "Good" in its 2013 report. Children requiring secondary or college level education must travel outside of the parish.

PART 1 – You and Your Household

Property Type and Size

The majority of respondents at 279 (76%) described their home as a house with 66 (19%) describing their home as a bungalow. The remaining 9 respondents (2.5%) described their home as a flat/maisonette/apartment/bed-sit. Two respondents (<1%) described their home as “Other”.

Figure 1: Property type

Nine (2.5%) respondents live in a property with one bedroom, fifty four (15%) have two bedrooms. The majority of respondents at 158 (44%) describe their home as a three bedroom property and 132 (37%) stated that they have four or more bedrooms. Three (<1%) respondents did not answer this question.

Figure 2: Size of property

Tenure

The majority of respondents at 204 (57%) stated that their property was owned outright by a household member, 120 (34%) stated that the property was owned with a mortgage. Overall the results show that 91% of respondents own their own property in West Bergholt.

Twelve respondents (3%) stated that they rent their property from the local authority and two (<1%) stated that they rent from a housing association. Eighteen (5%) respondents stated that they rent from a private landlord.

Figure 3: Tenure

In Housing Need

When asked if anyone in the household needed alternative accommodation within the next 5 years 31 (9%) respondents said yes and 319 (90%) said no. 6 people (2%) did not answer this question.

Twenty seven (8%) indicated that someone within the household would be in housing need in more than 5 years, 323 (91%) said no and six (2%) did not answer this question.

Figure 9: Need to move within 5 years

Figure 10: Need to move in 5 years or more

PART TWO – Housing Need

- 58 households indicated they had a need for alternative accommodation by answering question 7 in part 1 of the form.
- Of these, 5 respondents who indicated a need in Part 1 declined to complete any of Part 2 therefore no data is recorded for them.
- One household was provided an additional answer sheet as more than one member of the household was indicated to be in need of alternative accommodation, therefore 52 households completed the survey, but 53 sets of data have been received.

For the purposes of Part 2 percentage shown is the percentage of those in housing need who completed or partially completed Part 2 (53=100%) unless otherwise stated.

When

Nine (17%) households who completed Part 2 of the survey said they would require alternative accommodation within the next two years. Sixteen (30%) households wish to move within the next 2-5 years and twenty five (47%) in 5 years or more. Three (5%) households did not answer this question.

Figure 11: When people need to move

Current Tenure

In response to this question about who owns their present home five (9%) households said they lived with their parents, thirty four (64%) were members of the household, One (2%) is shared ownership and three (6%) rented from the council/housing association. Nine (17%) households rent from a private landlord and one (2%) did not answer this question.

Figure 12: Current Tenure

Affordability

Income

Respondents were asked to indicate the gross monthly income available for the new household living costs.

Five (9%) showed this as less than £500, three (6%) showed £501-£750, eight (15%) showed £751-£1000 and eleven (21%) showed £1001-£1500. Nine (17%) showed this as £1501-£2000 and two (4%) between £2001-£2500. Six (11%) households indicated their income as above £3000, Nine (17%) did not answer this question.

Figure 21: Annual income after deductions

Savings

Respondents were asked if they had any savings or equity that could be used towards outgoings for a home. This is particularly relevant to those seeking shared ownership or purchasing on the open market since they will require a mortgage and so will need savings to cover the deposit and legal costs.

Twelve (23%) households reported that they have no savings, five (9%) have between £1000-£2000, three (6%) between £2001-£5000, four (8%) between £5001-£10000, three (6%) between £10000-£15000 and two (4%) between £15000-£20000. Sixteen (30%) have savings of £20000 and over, eight (15%) did not answer this question.

Figure 22: Savings

Currently Living in the Parish

Forty Eight (91%) respondents stated that they live in the village currently, three (6%) stated that they do not. Two (4%) households did not answer this question.

Figure 23: Live in the village currently

Lived in the village in the last 5 years

Of the three respondents which answered “No” to question 12, three (100%) stated they have not lived in the village in the past 5 years.

PART THREE

Assessment of Need

Analysis has been carried out to assess the levels of affordability of open market and affordable housing from the information provided by the respondents. The assessment of need notes the preferred accommodation type and tenure, however, whilst analysing the results to provide a recommendation practical considerations were also taken into account, such as the current age of respondents and income levels. Some respondents aspire to own a share of their home but in reality cost may still be prohibitive and renting is likely to be the only available option at this time.

The table below sets out the preferred tenure type selected by each respondent, the individual information gathered has then been analysed to determine the achievable tenure in real terms for each respondent, this is based on a number of factors including income levels and savings.

Table 1: Achievable Tenure

Indicated Tenure	Achievable Tenure					Totals
	Open Market	Shared Ownership	HA Rented	Private Rent	Not Enough Information	
Open Market	12	4	5	2	3	26
Shared Ownership	0	1	4	1	2	8
HA Rented	3	1	7	0	0	11
Private Rented	1	1	0	1	0	2
Not Stated	2	0	1	0	2	6
Totals	18	7	17	4	7	53

The table below sets out the size of units required based on Colchester Borough councils allocations policy for affordable homes. These criteria cannot be applied to those whose needs can be met on the open market or respondents under the heading of not enough information provided. The number of bedrooms stated is based on current household composition.

The timescales provided on the below table are as stated on the completed housing needs survey, where a timescale has not been provided the size of property has been included in the “not enough information” section.

Recommendation

Fifty three forms were received indicating a need for open market and affordable housing. Seventeen were identified as having a need for affordable rented accommodation and seven for shared ownership accommodation.

The identified need is for 9 x 1 Bed units for rent, 5 x 2 Bed units for rent, 3 x 3 Bed units for rent, 3 x 1 Bed units for shared ownership and 4 x 2 Bed units for shared ownership.

Following general planning guidance this would lead to a recommendation of 12 units broken down as follows:

- 5 x 1 Bedroom units at affordable rent
- 3 x 2 Bedroom units at affordable rent
- 1 x 3 Bedroom units at affordable rent
- 1 x 1 Bedroom unit for shared ownership
- 2 x 2 Bedroom units for shared ownership

Eighteen respondents indicated a need for open market housing in the parish, of these respondents fifteen indicated a need for smaller accommodation suitable for older people, mainly bungalows. This contributed to a significant number of responses overall and should be an area of consideration for the future.

Local Housing Stock

Average property values in West Bergholt as of December 2015

Average home values in West Bergholt compared to the UK average as of December 2015

Property type	Average Value	Avg. £ per sq ft.	Avg. # beds	Avg. £ paid (last 12m)
Detached	£480,164	£307	3.9	£433,323
Semi-detached	£270,469	£263	3.0	£242,966
Terraced	£224,320	-	2.7	£205,125
Flats	£197,534	£239	1.8	£164,667

To put the issue of affordability into context it is important to understand the local property market. This shows the issues people on modest incomes would face whilst seeking housing in West Bergholt in order to remain living within the parish.

On researching property for sale in West Bergholt the lowest priced property that could be found currently on the market was a 2 bedroom first floor flat with a guide price of £135,000. The lowest priced house available was a 2 bedroom mid terraced with a guide price of £180,000

Assuming the price is £135,000 and availability of a 10% deposit (£13,500) a single first time buyer would need to have an annual income of around £27,000 to comfortably afford this mortgage.

Upon further research it was evident that it would be difficult to obtain a 90% mortgage on a property of this value for an individual earning under £28,000 per annum (the average living wage for Colchester sits at £24,000).

Based on current interest rates a mortgage on this property over a 25 year period with a 10% deposit would cost around £600 per month in repayments (5 year fixed mortgage at 3.9% APR)

October 2015

Dear Resident,

Affordable Housing for local people in West Bergholt

For many people living in rural communities it is becoming increasingly difficult to find affordable housing. With ever increasing house prices the possibility of purchasing a house on the open market is simply not an option for those on average or modest incomes, and with the limited availability of council rental properties it means that those looking to set up home have to move out of the village to find something affordable.

West Bergholt Parish Council is working with the Rural Housing Enabler from the Rural Community Council of Essex, a registered charity established for over 80 years, to determine if this issue affects people in this parish.

Affordable housing is designed to respond to the needs of village communities. Properties in such a scheme are often provided by a housing association either for rent or shared ownership. They cannot be sold or transferred into totally private ownership and would remain in perpetuity for people living in the parish, or those with a strong family and/or work association with West Bergholt.

To determine whether there is a need for such a scheme in this parish, we are asking you to take a few minutes to complete the attached Housing Needs Survey form and return it in the Freepost envelope provided by the **1st November 2015** Please be assured that the Rural Housing Enabler will treat your response in strict confidence. The Parish Council will be provided with a summary report but will not see the completed forms nor be made aware of any personal details.

If you have any questions about completing the survey, or require additional forms please contact Edward Rigby, the Rural Housing Enabler either on 01376 574330 or by e-mail on Edward.Rigby@essexrcc.org.uk
