WELCOME TO ST MARY'S OLD CHURCH

There has been a church here for over 1,000 years. It is a very old church.

Minnie Mouse and her 11 friends are hidden around the church. Each of them has a number on its tummy.

See if you can find them and answer the question which corresponds to the numbers below.

1

Do you know what this thing is called?
What is it used for?

2

How many pipes can you see on the front row of this beautiful organ?

3

Can you guess what these pegs were used for?

4

This is called a Lectern. It is used for holding a special book. Do you know which book?

5

This panel shows you how the walls of very old houses were made before people started making bricks.

6

Why is this area raised up above the rest of the church? What is it called?

7

This sometimes has large numbers on it.
Do you know why?

8

Just above this mouse is the Hanoverian royal coat of arms.

Can you see another coat of arms painted on the wall?

9

This table has a special name. Do you know what it is?

10

Can you guess what was kept in this ancient chest? (Nothing is in it now)

11

What is this little room for? Look up and you can see up inside the bell tower.

Look up at this beautiful stained glass window. Who is the person dressed in a red cloak?
