The West Bergholt Village Fete is here!

A time capsule for the village hall

& could you skydive for charity?

www.westbergholt-pc.gov.uk

Dear All,

Firstly, I do hope by the time you read this the WB Community Hub is open for use. If not it will be very close to being finished! I thought I would just take this opportunity, as the works are so near to completion, to let you know where the monies to build the hub came from. Indeed you will see a plaque on the building when opened to say where the funding has come from, as well as one about the time capsule!

The monies have been split nearly equally from Grants (Rural England Prosperity Fund, ECC Community Initiative Fund and the ECC Love Essex Fund), from dedicated CCC agreed Section 106 monies (funding from five local developments), and from the Parish Council reserves (built up over the years) all being spent for the long-term benefit of the community.

Secondly, a brief note on April's Annual Parish Meeting for those of you that were unable to attend.

This year's speakers were headed by Mayor Councillor Lesley Scott-Boutell, (attended by the Mayoress her daughter Miss Jessica Scott-Boutell), Heathlands new Headteacher Darryl Crawley, and Essex Association of Local Council Chair Mike Eldred.

Lesley spoke passionately about her year as Mayor, the City, her experiences and charities, Darryl spoke on his role as headteacher and his education experience and Mike on the work West Bergholt Parish Council has undertaken to be awarded the Gold Award under Local Council Award

Scheme, which only 50 out of 10,000 town and parish councils in England have ever achieved!

West Bergholt's Volunteer of the Year was announced as Liam Rix, a young volunteer and trampoline star from Bounceability whose commendation was glowing. A truly inspirational young man and an utter benefit to our community.

The evening was then rounded off with '3 minutes of fame' for 1st WB Scouts, WB Cricket Club, Bergholt Heath Youth FC, WB Girl Guides & Brownies, Women's Institute, WB Indoor Bowls, Bergholt Youth Group, the Care Network and West Bergholt Gardener's Association, all of whom spoke glowingly about their achievements, their members and their clubs' futures.

*Brian Butcher
Chair West Bergholt Parish Council*

Hello...

Summer is finally here and the village is once again in bloom as the weather warms up, making for some lovely walks around the village and surrounding woods.

There's plenty going on in the village over the summer, including the return of the Village Fete on Saturday the 14th June from noon until 8pm. The weather wasn't great last year so we're keeping everything crossed that we have a lovely sunny day for it this year!

And if you're feeling brave, you might want to consider a skydive in support of the Tom Bowdidge Foundation!

1st West Bergholt Guides

West Bergholt Guides are looking forward to a very busy summer term and are hoping for dry weather at least - if not Thursday evenings bathed in glorious sunshine to suit the program of activities that we have planned.

We will be building, lighting and cooking over fires, visiting the Colchester District Guide beach hut at West Mersea for games and campfire singing, hiking to Wivenhoe, visiting a local adventure playground and completing our whittling badge. You might also have spotted us out and about at the VE Beacon lighting evening, on parade for St Georges Day and we'll be running a fundraising stall at the village fete.

Girlguiding in west Bergholt continues to be a place where girls can do lots of things that they already love but also to fall in love with things that they have never tried before.

As leaders we also get to try new things, meet new people, visit new places, face

challenges and learn new things. If you think you'd like to belong to an all-female group, where there is no judgement, pressure to be anything you're not and a place where you can openly talk and grow in confidence then guiding is not just for the guides. We warmly invite you to visit us and find out more about becoming part of this worldwide community of women.

If you think you have a skill that you'd enjoy sharing with us one evening also do get in touch and help is to keep our terms varied and vibrant.

West Bergholt Surgery opening Times:
Monday - Friday, 8am - 6.30pm

Summer Bank Holidays: The Surgery will be CLOSED on Monday 25th August.

GP Education Events: The Surgery will be CLOSED from noon onwards on the following dates to enable staff training : Thursday 26th June & Tuesday 29th July.

New Appointment System

As you may or may not be aware, the Surgery has undergone a change in how patients can now book appointments. NHS England have steered the focus of General Practice in the direction of Digital Health. Digital Health in simple terms means increased access via digital avenues to access healthcare. This does not mean healthcare is exclusively delivered digitally, nor does it mean access for those who do not use the digital platforms is limited. It simply allows those who can submit requests digitally can do so from their home, workplace, during school run etc. Those who cannot access the surgery are still able to call via our phone lines and we anticipate waiting times on our phones will decrease significantly.

How GP request an appointment

Simply log onto the Creffield Medical Group Website, click on the Contact Us tile on the front page (RED TILE) and complete the relevant form (either Admin enquiry or medical enquiry). Please ensure you do not add a medical query to the admin form as this may not be dealt with within timescales required. Please include as much information as possible as this will help us to manage your request or query efficiently for you. If you telephone us, we will complete the form on your behalf. You can also click onto your NHS app to complete and submit the request form.

What happens next

Once your medical enquiry has been submitted one of our Lead GP partners will view your request and mark the urgency and correct Practitioner suitable for the medical appointment, we will then send an appointment via text or phone call. This system will allow the urgency of patients medical needs be the forefront rather than the old system of "first come first served". For administrative queries, these will go direct to our admin team.

How long will it take

We will process your request or query within 2 working days, dependent on clinical urgency. If you need to see a clinician in an absolute emergency, please visit the Urgent Treatment Centre within the grounds of Colchester General Hospital. However, we are delighted to advise that most medical enquires are processed in one day.

Feedback

This process has been in place since 3rd March 2025 and we have had some very positive feedback from our patients.

WB Movers & Shakers

As we wish Dr Hilton a lovely relaxing retirement from our Nayland Surgery, we would like to announce that Dr Alice Parr will be moving from West Bergholt to Nayland and wish her all the best with her new work colleagues and patients. Welcome back to Nurse Amy Gilbertson, who has returned to the surgery after maternity leave.

Women's Institute

In February, our vice president, Marion Hart, welcomed members and one visitor.

The speaker, Jackie Marshall Ward, was introduced with her talk entitled 'My Gran has one of these'. She brought a large number of unusual items. She invited each table to select two and return to their seat. They had a short time to puzzle over the objects and write down their ideas. When Jackie rang the bell, the items were passed on to the next group. On completion, Jackie revealed the uses for all the items with some unexpected and surprising results.

For social time, Hillary Nugent demonstrated sign language for numbers. On a previous occasion she had shown us letters which members enjoyed.

Our WI offered to make the cakes for the VE Day celebrations on 8th May, which took place outside the Orpen Hall, with the Beacon being lit at 9.30pm. The choir and band entertained.

Susan Leng stepped in at very short notice as our speaker was unavailable. She gave an illustrated presentation on Agatha Christie Queen of Crime and Mystery. We all learned many unknown facts about the author and playwright.

Instead of social time, a bumper raffle was held for our chosen charity Essex & Herts Air Ambulance which raised £193.

Eight members accepted the invitation from Great & Little Horkesley WI to hear their speaker Steve Lester talk about his experiences of a country auctioneer. A very entertaining gentleman with so many fascinating stories.

In April we had planned a fashion show but EWM could no longer insure clothes and van off site.

Jackie Marshall Ward returned with her talk entitled 'Upstairs Downstairs'. Ten members sat on chairs at the front and opened up their parcel on their seat. Members put on a variety of bonnets and suitable dress depicting their position in the household. Jackie gave us details of their jobs.

A member organised a tombola which raised £61 for our charity.

A charity lunch for 8, hosted by our vice president in her home was a great success and will be held every month.

Members are looking forward to visiting the Colchester Roman Circus followed by afternoon tea at the Officers Club.

Rummikub and play reading in members' houses, plus a coffee morning at the Queen's Head, give everyone an opportunity to meet up and socialise.

Colne Valley Flower Club

In March we were delighted to make our annual visit to the Bergholt Youth Group (BYG) to work with the youngsters to make "jam jar" flower arrangements in time for Mothering Sunday. And what a great job they did.

Also in March at our monthly meeting we were joined by florist Lisa and business partner Ben from our very own village florist Lily & Fern. And what a double act they were, creating a fun and dynamic atmosphere while making beautiful and inspirational arrangements, giving us all some great ideas for Easter.

In April we welcomed back Terri Potter who presented on the theme "Diary of a Floraholic". Terri is a firm favourite of the club and as usual she didn't fail to delight, creating multiple arrangements in a range of different styles and using various containers, vases and pots for impact.

In May we hosted Elaine Boubier, "My life in flowers" which was a whirlwind tour of some of her life achievements in flowers. We also held our successful annual plant stall and hosted the first of our monthly Tuesday afternoon Workshops on the theme of a landscape design. The workshop was led by professional Helen Bird and was very well attended.

The summers programme includes;

June 18th - Garden Visit, Bucklers Farm which includes afternoon tea

July 16th - Evening Floral Workshop

We do not meet in August.

We meet regularly on the third Wednesday of the Month in Orpen Hall at 7.30pm. We welcome new members and guests and you will be sure of a warm and floral welcome.

Vocal Zones Singers

Both the Vocal Zones Choir committee and the membership have been engaging in a review of the choir and, with that in mind, we are pleased to announce our new name which is Vocal Zones Singers.

We feel this name better represents the ethos of our group. We are not a formal choir; we are simply a group of people who enjoy singing and like to meet together in a relaxed and friendly atmosphere. We are all excited by the new direction the committee and membership want to take our singing group.

We were thrilled to be asked to contribute to two village community events this summer. The first was the VE Day 80th Anniversary event on 8th May, and the second is the Village Fete on Saturday 14th June.

Both the Village Bulletin and The West Bergholt website are providing more information about the fete.

We have recently welcomed both new visitors and new members to our singing group and we are hoping for many more. Please pop in one Tuesday evening for a free taster session, it would be great to meet you.

West Bergholt Concert Band

West Bergholt Concert Band & Training Band will be busier than ever this summer, with a performance at VE Day 80th Commemorations in May, the Village Fete in June and a Summer Concert in July.

Summer also means some of our fine young musicians leave us for University so we'll be reaching out to schools & teachers throughout this term to encourage more young brass & woodwind musicians to join us at our Friday rehearsals at Heathlands.

The fun & friendly village band has both a Training Band (Grades 1-4) and a Concert Band (Grade 4+) so there's a band for all abilities. Being in a band is great way to improve your playing whilst having fun, and our friendly experienced players of all ages are there to help support new members.

Our summer concert on Saturday 12th July sees the band return to Sudbury Arts Centre in St Peter's Sudbury, a wonderful venue at which the band played some memorable concerts in the past. The "Mozart to the

Movies" concert includes some fabulous music including band favourites Pirates of the Caribbean, How To Train Your Dragon, Wicked, Star Wars and the Lion King, as well as a Mozart Suite, music by Duke Ellington, and musicals from Chicago to The Jersey Boys.

Hopefully we can tempt you either to along to our summer concert, or even better to join us. We can even send links to digital copies of the music so you can have a practice in advance.

To find out more about the band visit the band's website (www.wbcb.org) drop us an email via Conductor@wbcb.org.

West Bergholt Gardeners

The West Bergholt Gardener's Club meet in the Orpen Hall on the third Monday between September to December, and February to May. In the summer months, we organise trips to local gardens of interest.

At our meetings we are entertained and educated by a wide range of guest speakers and the past season was particularly interesting with topics on wild flowers and orchids, flower farming, the difference between shrub and tree peonies and, most recently, tips on hanging baskets and container planting.

Some of next season's subjects, beginning on Monday 15th September will be Easton Lodge, Climate Change Gardening and Behind the Scenes at the Chelsea Flower Show. This year we have had in excess of 50 members. Come along and join us as a member, or if you are interested in just one or two of the topics come along as a visitor.

Have you visited any of the Open Garden events recently held in other local villages such as Bures or Nayland, or further afield in Wivenhoe or Lavenham? Our lovely village has successfully run open days in the past. It's a very enjoyable day, wandering from garden to garden and meeting other villagers.

To hold an event again, hopefully next year in 2026, we are asking for assistance in two

ways – we need a few more volunteers to help organise it, but even more importantly, we need people to actually participate and show off their garden – it can be large or small, round or square so please give it some thought, and don't be shy. We would really love to hear from you.

For further information on any of the above, please contact us by email. wbgardeners@gmail.com

West Bergholt Allotments

At the time of writing, the sun is shining and things are looking lovely in the allotments. Hopefully we are in for a great summer this year, although it does mean a lot of watering to keep things alive. How the weeds manage to keep coming so strongly without water is a mystery!

There are a few allotments not being cultivated, so after the next inspection there may be some vacancies. If you are interested in going on the waiting list, just email your name, address and phone number to wballotments@gmail.com and mention whether you are a "newbie" wanting a small starter plot or an experienced veg grower wanting a bigger plot to expand your selection of veg.

Having an allotment is quite a commitment so make sure you have the time and energy to look after one before applying.

The allotment area is private land for allotment holders only so is not a place for taking shortcuts through or exercising dogs

not connected with plot holders. Please respect this if you are not entitled to be on there. It is a busy place in the summer and we want to prevent any accidents happening to anyone.

The Charity stall is open now for useable items only relating to gardening please and especially no electricals. You can recycle plastic plant pots through the Council plastic recycling scheme so please do that, as we get inundated with pots during the season which we then have to deal with!

Hopefully the weather will be better than last year and that there will be more excess produce this year to put on the stall.

Thank you for your support with your donations in the box located in the Stall - it all helps to raise money for local good causes.

Springwood Sun Club

Springwood Sun Club is a fraternity of 130 naturists who have been in West Bergholt since 1958. We have a thriving social calendar that includes a charity raffle and we collect donations from members to be sold at the West Bergholt summer fete to support our charities too.

Our members have raised over £1000 which have been split equally between our nominated charities.

On 4th March Helen, Janet and Mike from Springwood travelled a short distance to Earls Colne to present Essex & Herts Air Ambulance with a cheque towards their life-saving work.

On 21st March we had the pleasure to meet Richard Bowdidge MBE who came to Springwood to receive a donation to the Tom Bowdidge Foundation which supports teenagers and young people with cancer.

Janet said, "We are so pleased that Springwood can make these donations towards the work of these two vital local charities".
